**Re: *Angello v. Northern Marianas College*, District Court Case No. 03-0014**

Dear Mr. Angello:

As you know, as a part of the recent judgment in favor of Northern Marianas College in the District Court, the college was awarded its costs in the amount of \$1857.47. This judgment is currently accruing interest at the rate of 9% per annum in accordance with 7 CMC §4101.

This office has received your Application to Proceed In Forma Pauperis, and so we are aware that you may be facing some financial difficulty. For this reason, we are prepared to allow you some flexibility to propose terms under which you will meet this obligation, though we will insist that these terms provide for regular payments on at least a monthly basis, and also payment in full, including interest, within twenty-four months. The payments should also be made to the Client Trust Account at this office.

Please respond to this letter by Friday, December 8, 2006 with your proposed schedule of payment. Also be advised that we expect these regular monthly payments to begin no later than January 2, 2007.

If we have not received your proposal by Friday, December 8, 2006, this office will file an Order in Aid of Judgment in the Superior Court.

Thank you for your prompt attention.

Very truly yours,

MARK A. SCOGGINS  
Attorney at Law
